Colours

colours which compliment the main colours from image below
Use the main colours mostly too.

Aesthetics:

1. Style & Medium (The "How")

- **Stylized Vector Illustration** (the primary technique, defined by geometric shapes and smooth paths)
- **Modern Flat Design** / **Semi-Flat** (minimal gradients, simplified forms)
- **Digital Graphic**
- **Pop Art** / **Graphic Novel Aesthetic** (due to bold lines and sequential, narrative framing)

2. Composition & Context (The "What")

- **Editorial Illustration** (clean, narrative-driven art for magazines or interfaces)
- **Urban Vignette**
- **Everyday Life in India** / **South Asian Street Scene**
- **Barbershop Art** (specifically, a traditional "saloon")

3. Color & Lighting (The "Palette")

- **High-Contrast**
- **Warm & Saturated** (dominated by rich reds, terracotta, and ochre)
- **Matte Colors**
- **Graphic Shading** (shadows are defined by simplified, solid blocks of color)

4. Cultural & Niche Keywords (The "Specifics")

- **Modern Indian Illustration**
- **Diaspora Art Aesthetic**
